Democrats

- **@AOC:** Reminder that @RepJayapal already took everyone to school on #MedicareForAll. Watching how Pres candidates speak about healthcare really tells you who's studied these proposals + who hasn't 📖✍️ How much is Medicare for All? LESS than our current system. - **@TDanger19:** Fun fact: John Delaney is a former health care financier, and received about 30 grand from the health care and pharmaceutical lobby for his campaigns. I'm sure his criticism of Medicare for All is just a coincidence. [478 Retweets, 1,806,001 Impressions]

Republicans

- **@RepDanCrenshaw:** The radical left is pushing the Green New Deal and Medicare for All...in Texas. And "moderate" Dems won't stop them. Selling the GND in energy-rich Houston will not work. Underpaying our doctors and hospitals with M4A will not work. AND they'll raise taxes? No thanks.

- **@RepThomasMassie:** Question for the socialist masterminds who propose "single payer" will produce better healthcare... can "single payer" perform the same miracles for housing, food, and clothing?#sassywithmassie [323 Retweets, 2,390,036 Impressions]
- **@JohnCornyn:** The big lie: Tell it often enough and some people will believe it. There is a consensus that pre-existing diseases should be covered. What is true is that Ds now want to kill private health insurance by their Medicare for All proposal, cheating seniors and bankrupting Medicare. [240 Retweets, 2,588,960 Impressions]
