The Honorable Charles E. Schumer
Senate Democratic Leader
United States Capitol

Dear Leader McConnell and Leader Schumer:

The undersigned trades and organizations strongly support the "Development of a Private Flood Insurance Market" title of H.R. 3823, the *Disaster Tax Relief and Airport and Airway Extension Act of 2017*. This package includes bipartisan, bicameral, clarifying language to increase acceptance of private flood insurance products. This will increase flood insurance options for consumers, thereby providing more competition and coverage options to families and businesses.

This clarifying private flood insurance language, included in the *Disaster Tax Relief and Airport and Airway Extension Act of 2017*, passed the House last year by a vote of 419-0, and it was ordered reported out of the House Financial Services Committee in June by a vote of 58-0. The bipartisan fix clarifies what is already in federal law (following the passage of the Biggert-Waters Flood Insurance Reform Act of 2012 and reinforced in the Homeowners Flood Insurance Affordability Act of 2014) intended by Congress to allow lenders to accept private flood insurance in lieu of federal coverage to satisfy the mandatory purchase requirement.

The undersigned trades and organizations strongly support inclusion of the bipartisan private flood insurance clarifying language included in the *Disaster Tax Relief and Airport and Airway Extension Act of 2017* that allows consumers the choice of government or private flood insurance coverage. We ask for you to vote in favor of this important legislative package when it is considered by the United States Senate.

Sincerely,
